PUNAHOU AND COLLEGE OF HAWAII ON THEIR TOES FOR COMING GAME

Both Grid Battalions Putting in Some Hard Licks in Preparation for Saturday Battle—Collegians Catch Spies Stealing Signals—Punahou Pessimistic

TWO star teams, the Punahou eleven and the College of Hawaii, come together Saturday afternoon in the banner hurrah of the season. As usual the mid-weekly report from the Punahou camp is full of pessimistic phrases, while the report from the college campus carries the news that spies have been caught red-handed stealing the signals.

Both the Collegians and the Puns are hard at work practicing for the battle. The rah rah lads will work out today against the Fort Kams. The Blues will also get into a scrim battle today. From now until the two teams meet at Alexander field, at 3:30 o'clock Saturday afternoon, the men will be on their tip-toes and the coaches as busy as a nest of bees on a summer afternoon whipping the squads into shape.

Punahou Report
Punahou is undertaking the very big task of constructing a team that will be the equal of the College of Hawaii for the battle between the two next Saturday. And by the same token, it is going to be a real game! Both clubs have beaten everything they have met, except each other.

The first College of Hawaii-Punahou game was a scoreless tie. In that early game a lot of latent football ability was revealed, but not much actual football was shown. Since then both teams have been playing hard ball and have made rapid progress.

College of Hawaii has a whirlwind of a team at present. They have a trio of newly enlisted men, who come in from Fort Fuger to play for the college. Fans who have watched them say they are whizzes.

Lack Speed
Punahou, on account of parental objection, is proving to be a second Ketchum at the pivot job. If Punahou is going to match the college, she will have to play faster and harder ball than she has previously this season. Heretofore, there has been a serious lack of speed and drive, and a very dangerous scattering of interference.

Punahou has lost a valuable man in Akana. This sturdy right end has had to leave school and go to work, on account of illness in his family. It will be very hard to fill his place. For the Saturday game, "Sleepy" Baldwin will be given a tryout at right end. Although "Sleepy" is not extra speedy, he is very reliable and will support Norman Alexander, right tackle, well. Henry Pogue will be moved from his regular berth at left half to right half back, to make room for Noble Kauhane, who will again be in the game.

The men took a rather easy afternoon yesterday, but will get hard at work the rest of the week.

The coming Saturday's game will doubtless draw a record-breaking crowd. It will be played on Alexander field at 3:30 p. m. Preparations are being made to increase bleacher capacity.

College Report
The College of Hawaii football team has been digging hard at practice all week. In anticipation of a running game next Saturday the coaches are laying much stress on jogging maneuvers, up and down the field with no more rest than time to call off signals and then several turns around the track.

Spies Nabbed
As the result of the work of a few signal thieves who were caught red-handed copying down the college's signals during the Saturday game, it has been decided to try out a number of new formations. This change has been under consideration for a few weeks and a good excuse for the action has been welcomed. The formations will have an excellent trial in Wednesday's scrimmage with the Fort Kamehameha team. Scrimmaging is the principal item on the week's training schedule.

The college line has been greatly strengthened by Bromley at right tackle. The greatest fault with the

PACIFICS WILLING

The Pacifics are ready and willing to accept the challenge hurled broadcast by "Cowboy" Johnson's Makiki Giants and will play the Giants Sunday morning if convenient. The Pacifics want a definite answer before Thursday.

Charles B. Towns, the anti-drum champion, spent some time in China several years ago with Samuel Merwin, the writer. In a Hongkong shop window they noticed some Chinese house-coats of particularly striking designs and stepped in to purchase one. Mr. Towns asked Mr. Merwin to do the bargaining. "Wantum coat," said Mr. Merwin to the sleepy-eyed Oriental who shuffled up with a grunt. He placed several of the coats before them. "How much Melican monee?" inquired Mr. Merwin. "It would aid me in transacting this sale," said the Chinaman, "if you would confine your language to your mother tongue. The coat is \$7." Mr. Merwin took it.—Pittsburg Chronicle Telegraph.

WHAT'S THE USE?

There may be a lot of money in these wrestling matches but look what it costs to fumigate the building afterwards.

Experts say they are making football sanitary and gentle but at that a scrimmage is no place to embroider a dolly.

As Bill Shakespeare put it, you can call wrestling by any other name and the odor would still be something like a Swiss export with holes in it.

Funny, here it is almost the end of October and not a single mainland baseball team has yet claimed the 1918 pennant.

The race between the St. Louis and Braves is closer than a carriage dog's spots.

New 1917 football rules don't say a thing about who gets the mislaid eyes, ears and noses after the game.

The Kams are convinced now that Punahou academy is one of those schools where a student is through studying when he takes off his football uniform.

You're right. None of the fumbling at that Kam-Pun game at the Kam field Saturday took place with the tickets.

All of the Y. M. C. A. men have been supplied with uniforms but that's what Coach Von Holt says the team consists of—uniforms.

Mainland college eligibility rules are becoming stricter. No football player who has ever taken money for summer ski jumping will be allowed to chirrup in the college glee club.

Condemning a team on its first workout is something like judging soup by its sound.

KHAKI MEN PLAY TOWNERS TODAY

Harry Melim's Town Team will get a real workout today when it goes up against the picked team of the 25th Infantry regiment of Fort Armstrong at Moiliili field at 3:30 o'clock. Considerable money has been wagered on the outcome of the battle and the soldiers are set on defeating the Melim aggregation at all costs.

The game was to have been played last Saturday on the Kam field as a curtain raiser to the Punahou-Kamehameha battle but owing to the objection entered by the Pun team to the effect that a prelim would cut the field, it was postponed until today.

As this is Liberty Loan day, and therefore a half holiday there should be a large crowd of fans on hand at Moiliili field this afternoon to watch the mix. The soldiers have not yet announced their line-up, holding the matter a secret in order to spring it as a surprise on the Towners.

Line-Up
The Towners line-up will be as follows:

Oliver Pedro Soares, center; James Gilliland, left guard; George McTaggart, right guard; Paikui, left tackle; Bill Thompson, right tackle; William Andrade, left end; Frank Rodriguez, right end; George Leal, right half back; Gilbert Canario and George Hawkins, left half backs; Fredericks and Kanakaloa, full backs; Harry Melim, quarter.

NAVY MEN TAKE LEAD IN OPENING ROUND OF ALL-SERVICE SWIM MEET

Fort De Russey Right Behind While Engineers and Fort Kamehameha Bring Up Rear—Novelty Events Prove Surprises—Second Round Will Be Staged Tonight

WITHOUT even a rooting squad to cheer their efforts the Navy men took the lead in the All-Service swimming meet last night at the Y. M. C. A. tank, finishing first with forty points. Fort De Russey backed by a large contingent of cheering followers, finished second with 35 points while the Engineers and Fort Kamehameha brought up the rear with three points each.

Tonight will see the wind-up of the meet. The session will open with a fifty-yard championship and close with a four-man relay race. Fort De Russey has another novelty event and the diving contest should prove more of an even proposition as Schmidt of Fort Kamehameha is due to appear against Romans, Sanders and Guyot.

Features of last night's meet were many and the spectators were treated to a championship class of swimming and diving. Lieutenant Kirk of the Navy won the plunge after it looked like Guyot of Fort De Russey had it cinched.

Pingry of Fort De Russey took the 220, making good time. Guyot made a good showing in the fifty yard novice and exhibited the ear-marks of a coming star.

Novelty Events Good
In the diving he came second, Romans of the Navy winning out with Sanders third. The novelty events of the evening were good. De Russey gave a full dress swim and one of the men, Corporal Cosgrove, was pulled through the water with a rope and won, as it was announced later, by a tight stretch. The Alerts sparring contest brought down a good share of the applause.

While the Navy has a five point lead the De Russey swimmers are confident that they can cut it down and win out tonight.

Tonight's Card
Tonight's program will start promptly at 8 o'clock.
